

St. Clare Preschool

INFANT SUPPLY LIST

CLOTHES

Each infant must have several changes of clothing in their cubbie. You need to check for soiled clothes and make sure that they have fresh clothes in their cubbie each day. Depending on the age of your child, weather appropriate clothing is also necessary.

REMEMBER: All items brought to school **MUST BE LABELED**.

LUNCH/SNACK TIME

St. Clare Preschool & Daycare will supply morning and afternoon snacks. Milk and juice are provided for snack time as well as lunch. It is always available for Toddlers throughout the day.

CCD requires that we monitor lunches to make sure they meet the USDA guidelines for a nutritious meal. This includes meeting all of the four major food groups, which are dairy, fruits & vegetables, grain, and protein. Please keep this in mind when preparing their lunches.

When your child comes to school, there is a refrigerator in the room for you to put their bottles/lunch in.

Please make sure bottles are labeled and prepared each day. Bottles must be capped and should have only the amount needed for one feeding per bottle. They cannot be reheated or refrigerated again once they have been used. Breast milk should be frozen in small increments. It will be heated as needed.

MEDICATIONS

A medical authorization needs to be filled out for each child before any medicine can be administered. This form includes date, time, name of medication and dosage amount. Please store your medication in the appropriate place. There will be a lock box on top of the refrigerator and another lock box inside the refrigerator for medication.

MISC. ITEMS

Please bring in one box of baby wipes a month to contribute to classroom use. We use these throughout the day. Also, remember that it is necessary for families to provide diapers for their child. Always make sure you have enough on hand here at the school.

NAP/QUIET TIME

Each child needs to bring the following: Small pillow if used, small blanket, cuddly toy (if needed) and crib sheet.

These items should be taken home each Friday, laundered, and returned Monday morning. Again, please remember to label all items.

PHOTOS

Each family is required to bring photos of all people authorized to pick up your child. We cannot release your child without a photograph.

St. Clare Preschool and Daycare feels it is important to the children to feel a connection between family and school. To support this, we will be compiling a photo album for each classroom. Please bring no more than six photos from your family. These may include parents, grandparents, other special people, and pets; whomever you consider part of your family.

These photos will not be returned but will become a permanent addition to each classroom, providing a lasting chain of memories through the years.

Thank you for your support. Remember, **LABEL EVERYTHING!**
